

Northern Technical College Training Opportunities

The College is inviting applications from suitably qualified persons for **May 2020** Intake in the following courses:

No	Course Description	Duration	Minimum entry qualification
1.1	Advanced Certificate in Mechanical Engineering	2 Years 8 months	Applicants must be holders of '0' level Certificate or Equivalent with a minimum of five (5) Credits, which must include Mathematics, Science or Physics & Chemistry and English Language. Mature (in-service) applicants should have a Craft Certificate in a relevant field.
1.2	Advanced Certificate in Heavy Equipment Repair	2 years 8 months	Applicants must be holders of '0' level Certificate or Equivalent with a minimum of five (5) Credits, which must include Mathematics, Science or Physics & Chemistry and English Language. Mature (in-service) applicants should have a Craft Certificate in a relevant field.
1.3	Diploma in Automotive Engineering(Direct entry)	3 years 3 months	Grade 12 Certificate or equivalent with a minimum of five (5) Credits, which must include Mathematics, Science or Physics & Chemistry, English Language and any other two (2) subjects.
1.4	Diploma in Electrical Engineering(Direct entry)	3 years 3 months	Grade 12 Certificate or equivalent with a minimum of five (5) Credits, which must include Mathematics, Science or Physics & Chemistry, English Language and any other two (2) subjects.
1.5	Diploma in Science Laboratory Technology	3 Years	Grade 12 Certificate or equivalent with a minimum of five (5) Credits, which must include Mathematics, Biology, Science or Physics & Chemistry, English Language and any other two (2) subjects.
1.6	Diploma in Automotive Engineering(Mature entry)	2 years	Mature: Applicants must hold an Advanced Certificate or equivalent qualification in the relevant course.
1.7	Diploma in Electrical Diploma(Mature entry)	2 years	Applicants must hold an Advanced Certificate or equivalent qualification in the relevant course.
1.8	Diploma in Mechanical Engineering(Mature entry)	2 years	Applicants must hold an Advanced Certificate or equivalent qualification in the relevant course.
1.9	Craft Certificate in Auto – Electrical	2 years	Applicants must be holders of '0' level Certificate or Equivalent with a minimum of five (5) passes, which must include Mathematics, Science or Physics & Chemistry and English Language and any other 2 subject. Mature Age (in-service) applicants should TEVETA Trade Test Level 1 or Equivalent.
1.10	Craft certificate in Heavy equipment Repair	2 Years	Applicants must be holders of '0' level Certificate or Equivalent with a minimum of five (5) passes, which must include Mathematics, Science or Physics & Chemistry and English Language and any other 2 subject. Mature Age (in-service) applicants should TEVETA Trade Test Level 1 or Equivalent.
1.11	Craft certificate in Automotive	2 Years	Applicants must be holders of '0' level Certificate or Equivalent with a minimum of five (5) passes, which must include Mathematics, Science or Physics and Chemistry & English Language and any other 2 subject. Mature Age (in-service) applicants should TEVETA Trade Test Level 1 or Equivalent.
1.12	Craft certificate in Electrical	2 Years	Applicants must be holders of '0' level Certificate or Equivalent with a minimum of five (5) passes, which must include Mathematics, Science or Physics and Chemistry & English Language and any other 2 subject. Mature Age (in-service) applicants should TEVETA Trade Test Level 1 or Equivalent.
1.13	Diploma in Heavy Equipment Repair	1 year 3 months	Applicants must be holders of an Advanced Certificate in Heavy Equipment Repair
1.14	Craft Certificate in Mechanical Fitting	2 Years	Applicants must be holders of '0' level Certificate or Equivalent with a minimum of five (5) passes, which must include Mathematics, Science or Physics and Chemistry , English Language and any other 2 subject. Mature Age (in-service) applicants should TEVETA Trade Test Level 1 or Equivalent.
1.15	Craft Certificate in Rigging		
1.16	Craft Certificate in Welding and Metal Fabrication		
1.17	Trade Certificate in Plumbing	1 Year	Applicants must be holders of Grade 9 Certificate
1.18	Trade Certificate in Mechanical Fitting		
1.19	Trade Certificate in Rigging		
1.20	Trade Certificate in Welding		

2.0 APPLICATION PROCEDURE

An Application Form can be cut from the newspaper and photocopied or requested for by contacting the Student Affairs Officer on the Email address shown below or can be downloaded from www.nortec.edu.zm

Application forms can also be collected in person from the college.

The Application Form must be accompanied by:

- 2.1 **Certified photocopies of certificates or ECZ Results and National Registration Card (NRC);**

Note that uncertified copies of Certificates and NRC will not be considered;

- 2.2 **A non-refundable application fee of ZMW100.00 the applicant should deposit the application fee in the following College Account: **Zambia National Commercial Bank, Account No. 1560413300151**; the **Application Form** should **be submitted an original deposit slip and sent by Express Mail Service (Post Office) to the address below;****
