All first year students that were expected to commence their programme in May 2020 are required to conduct online registration from Monday 15th June to Tuesday 30th June 2020. The NORTEC college website (**www.nortec.edu.zm**) clearly outlines the steps that new students need to follow in order to register fully. Payment of tuition fees is one of the requirements to ensure complete registration for term one in your respective programmes.

Lessons are expected to commence on Wednesday 1st July 2020. Students that complete their registration are urged to access live lectures, learning material and assessments via Google classroom. Attached are the Academic calendar, lists of courses and names of selected students.

Students that experience challenges should immediately contact the college IT Administrator on 0965548666/0977788914.
